

THE ROCK SONG

E

There's an ark on the rock,

A

there's an ark on the rock,

B

C

E

Noah and his ark stood on the rock.

There's water in the rock

Moses struck his rod on the rock.

A

That rock is my strength

E

it will do me to the end

A

that rock is my goal,

C

E

to be a rock that doesn't roll

There's a rock in His hand

He who's never sinned may cast the rock

He called Peter the rock,

my church I will build, upon this rock.

There are tears on the rock

Jesus shed His tears on the rock

There's blood on the rock,

Messiah shed His blood on the rock

There's love in the rock,

in the garden He poured His love on the rock

There's a cross on the rock

God's only son died on that rock

On the grave there's a rock

the angels came and rolled away the rock

He will return to that rock

at the end of time, He will return to that rock.
